

Abbey Wood Grange

Nursery Menu 2026

Food and Nutrition at Abbey Wood Grange

Mealtimes are sociable occasions, that provide an opportunity to not only eat delicious food but to learn manners and social skills.

Practitioners sit with the children to encourage and imitate conversation and make mealtimes fun.

Water is offered at every meal time and is also accessible throughout the day.

Health is at the heart of our menu and by incorporating children's favourites, and new flavours we have designed a balanced and nutritious menu.

Fresh fruit/vegetables and dairy snacks are available mid-morning and afternoon.

Dietary requirements are catered for with strict measures in place. Allergens available on request

We take nutrition seriously and believe that healthy food enables children to grow and develop
